
1. A donation to the school should be made this month and due to good trading conditions a donation of $15,000 is able to be made.

2. The new freezer arrived at the end of March. The larger capacity has made it possible to add a few more items to the menu and keep slightly more stock on hand to allow for days that prove to be extra busy. The only problem was a dent in the lower body of the freezer. This matter was referred back to the company and a credit of $140 has been offered as compensation for an item that was superficially damaged. The dent in no way affects the operation of the freezer.

3. The airconditioner has been cleaned and is running much more efficiently. To help with flow through and air circulation in the Canteen, an exhaust fan was fitted in the wall of the Canteen. There has been a favourable response from parent helpers to the improved working conditions.

4. Bread rolls and sliced bread is now sourced from Glenfield Bakery as their product is far superior in quality than that available from Buttercup Bakeries. There is no charge for delivery as opposed to Buttercup policy and the difference in price for a bag of six rolls amounted to only a few cents. There has been a noticeable increase in the number of chicken tender rolls/ chicken burgers/sandwiches being both ordered and bought at recess and lunch so it would seem that the students also are showing an appreciation for a tastier and better quality product.

5. The Canteen held a Fabulous Food Festival on the 14th May - selling items such as nachos, salads, potato salad, samosas, spring rolls, chicken pesto pasta and vegetarian stir fry noodles. It was a very successful day with a good response from both students and teachers. It is planned to hold a similar day next term in early August.

6. The District Cross Country will be run on Thursday 23rd May with extra students coming from other schools to compete. The biggest day however will be on June 13th when the Regional Cross Country comes to Hurlstone. There will be many students and parents from primary and high schools present and the Canteen thanks those parents who have already volunteered for what will be a busy and profitable event!

7. The Canteen will be closed Tuesday 21st May as the Athletics Carnival will be held at Campbelltown Oval and there will be no students at school.
