HAHS Parents & Citizens Association is committed to promoting the interests of the school by raising funds to provide quality education facilities and equipments for teachers and students. In the last few years HAHS P&C has enabled the following projects for our kids:-

- Air conditioning in the hall just in time for the 2014 HSC
- New instruments for our music programme
- New equipments and facilities for our sports faculty
- New texts and equipments for our academic faculties
- Supported sporting representation in Frisbee, Cricket, Football, Volley Ball etc
- Supported academic representation in Maths, Science, Agriculture, etc
- Supported Rural youth representation in various youth activities
- And many more

In particular, the annual Country Fair and Farm Open Day not only it makes an important fund contribution to your child’s academic and social experience at HAHS. It is a BIG Hurlstone family gathering where parents, students, teachers, school staff and the local communities are involved to make it a great day out and for the community to enjoy the facilities of the school and share that “Hurlstone Family” spirit.

So, how can you miss out in getting involved in such a great event, an excellent opportunity to make new friends, work as a team and contribute to your child’s school? Please participate and show your support
