<p>1. Welcome The meeting was opened by Greg Quirk at 7.30pm when she warmly welcomed everyone.</p>		
<p>2. Minutes of Previous Meeting/Business Arising Confirm minutes from last meeting, First by Phil Lavers , 2nd by Jacinta Tran</p>		
<p>3. Business Arising from Previous Minutes/Meeting</p> <p>a) Minister's announcement: for us to reiterate the motion in December about not supporting the move to Hawkesbury and keeping the name Hurlstone here at Glenfield. They would still like to be involved in the PRG group meetings.</p> <p>b) DoE working with child check: this was raised as a concern if people who are involved in the new construction of the new block has or has not got a WWCC. Checks need to be made and we all need to be vigilant with strangers on site</p>		
<p>4. Correspondence</p> <p>a) In –</p> <ul style="list-style-type: none"> • A letter from the music department is requesting for permission that the \$6789.70 be repurposed. This money was for the MADD House but due to it being demolished for the build of the new block they want to repurpose it for items that can be useful for the future direction of the music department. They are also asking for an additional \$5,526.03 for equipment for 3 rehearsal spaces since they are moving to the dance studio. It was asked for more detail from the music dept. • We also have had a request for an additional \$6299 as we missed out on the baby grand we had wanted. They are giving us a great deal for a Disklavier E3 system. They are giving it to us for \$29800 plus \$1499 for the stage truck. The discount they are giving us saves us \$4700. Asking if there is any other company that sells the same piano. The school can hopefully help with extra cost. Ring around for a better quote. • Jacinta would like to congratulate everyone on the success of our 77th Country fair. Special thanks to our co-ordinators Nevine Youssef and Joyce Honey. While the weather had other plans we still had a fun day. Other special thanks go to the maintenance team, Daniel in the dining room, teachers, students, and the SASS Team. • Greg McAlpin the year 12 coordinator for year 12 is asking if you could contribute towards the year 12 mocktail function which is on the last day of year 12 schooling. We have appreciated the P&C supporting the mocktails in the past. Pasted 1st by Jacinta Tran and 2nd Phil Lavers. • We have received a letter from the uniform shop of concern about the introduction of shorts to the school uniform. They are asking if shorts are an appropriate option when representing the school in the community. They are asking why students can't just change into their sports uniform when doing agriculture. They have stated that James Ruse doesn't have a uniform for ag and Yanco uniform is khaki pants and polo shirt. They are questioning the fact that since the school is changing and no one knows yet what is happening to the school uniform to the two schools is it necessary to start a new line of uniforms. It is still happening 		

<p>due to equity. No changes to current uniform. The pants will cost around \$35. There will be the same colour from 7-12 for both boys and girls.</p> <ul style="list-style-type: none"> Request from Roxanne West that instead of cheques sent to the family for the end of year prizes can we do gift cards e.g. JBHIFI cards. That way the prizes are going straight to the students instead of the parents. The P&C would like to keep the cheques Steven was successful in Australian Model car Solar Car Challenge. Best performing new school and was given the wild car. They are asking for \$2000. \$500 for each student and congrats. Passed 1st by Johanna legalise, 2nd by Phil Lavers. <p>b) Out - nil</p>		
<p>5. General Business</p> <p>a) Email about enrolment for year 7 for 2017. One parent missed out for the year 7 exam.</p> <p>b) Pool was closed pool to be reopened. Would like Paul Dait to place it back on the agenda. The P&C would like to have the agenda of having the pool reopened.</p> <p>c) Funding Request: asking for money to help with a project called Greengate entertainment: Film. Christine is giving them some money to help with set up. We can match dollar for dollar that they raise. Fundraiser as BBQ at Bunning's, Government grants, Council grants.</p>		
<p>6. Reports</p> <p>a) Principal's report – Thank you all for hard work due to political nature and bad weather. Graduation next week is happening. The Year 12 will be having the annual Staff vs student games, BBQ, cross dressing activities. They are celebrating their success and in turn by having some fun keeping the stress levels down. PRG stagnated a bit, concentrating on workshops more atm, they are workshopping with the SRC next week. Solar Car congrats to the students, Steven So and Darryn Payne. News about Hurlstone in the press hasn't been all that positive and we have media happening around the outside of the school. We are keeping the media away from the school. We are referring them to the media branch.</p> <p>b) Sub committees report</p> <ul style="list-style-type: none"> Canteen Committee – complaints about the lack of variety in food in the canteen. Corrine hasn't really looked into improving a better variety of food in the canteen. Another school cooks 4 mains and one entrée and they sell out. Looking an inputting a one new addition to the menu. Also sourcing new suppliers for the canteen. Uniform Committee – The uniform shop would like to introduce three new items, girls grey pants for junior and senior students, girls navy shorts for junior and senior and lastly girls short sleeve open neck blouse for junior students. A note has been sent to the principal outlining the uniforms shop concerns regarding their introduction. The 40% mark-up price is OK. Short Khaki socks for boys are an option but they are hard to find. The socks need to be pre order, Christine is going to check with SRC. International club – NIL Country Fair Committee- Looking at \$9000 profit. \$2300 extra-curricular groups. Looking at end of August for next year for the next years Country fair. Working bee committee –
