HAHS P&C - INTERNATIONAL CLUB VOLUNTEERS FORM

Dear Parents,

We welcome you and your children to Hurlstone Agricultural High School. We are sure that they will enjoy their years at this school, as our children have.

Each year, there is an increase in the number of students from non-English speaking backgrounds and so the school is becoming much more multicultural – almost something of an International School.

Our children's education is always our first priority so, as parents, we want to achieve as much as we can for them. Therefore, we have formed an International Club so that parents from different backgrounds and nationalities can contribute towards improving resources for our children. By meeting together we are able to share ideas and most importantly to support and help our school to achieve their goals for our children.

Please accept this letter as an invitation to join our Club. Your participation will benefit your children, as well as the whole school.

With sincere thanks.
